

SOFTWARE LICENSE TRANSFER FORM

The undersigned hereby requests the assignment (transfer) or consolidation of the following license(s) for the listed below software product (“Software”).

The registered owner (the transferor) confirms that they have the right to transfer ownership of the Software, and hereby transfer all rights granted under the end-user license agreement (EULA) to the new owner (the transferee). The transferee has read the EULA pertaining to Software and agrees to be bound by each of the terms thereof.

The transferor agrees to transfer all of the software listed below Software, including proof-of-purchase certificates, media and printed materials, any upgrades, the EULA, the serial numbers, and agrees not to retain any copy of the Software, including any installed copy.

In the event the Software is distributed along with other software products as part of a suite of products (collectively, the “Suite”), the Software shall be transferred only with and as part of the sale or transfer of the whole Suite and not separately.
